## STORY STARTERS

---

- The recent [Renewal Project](#) completed our founders' vision, joining the Erickson and Laurel wings together in a completely new arrival experience, including a brand-new driveway, entryway, lobby, and ground floor meeting and event spaces.
- The iconic Erickson Wing was designed by world-renowned Canadian architect Arthur Erickson
- The architect responsible for the [Renewal Project](#), [John Graham](#) – Graham Sherwin Studio, was a junior architect on the Erickson Wing project and returned to complete our founders' vision.
- Our private gardens have been fully redesigned by Murdoch de Greeff Inc. Landscape Architects. Highlights include: a new infinity edge saltwater reflecting pool spanning 144 cubic meters, the replanting of meticulously cared for bonzai pine trees from the original garden, the addition of 48 new trees, a refurbished 8 foot waterfall, high efficiency irrigation and UV filtration, a rain garden and culinary garden in just over 1 acre of newly landscaped gardens.
- Our Managing Director, [Ian Powell](#), is an ordained minister of the Anglican church & was recognized with the BC Hospitality Hotelier of the Year 2019 Award
- **[Aura Waterfront Restaurant + Patio](#)** has opened with a revitalized interior and globally-inspired small plates menu unique to the city's hotel restaurant scene.

- A social enterprise since 2008, the Inn is dedicated to making improvements to the hotel that prioritize social, environmental, and financial well-being in the community.
- As the **first carbon-neutral hotel in BC**, the Inn is committed to finding sustainable ways to operate while reducing their impact on the planet
- An award-winning wedding venue, the Inn received a Vancouver Island Wedding Award in 2018 and was named a Professional BC Wedding Award finalist.
