Duo Café Bakery promises to delight guests and community with mouthwatering baked treats and daily features.

Inspired by Inn at Laurel Point's very own dynamic duo, Paul and Artie Arsens, Duo Café Bakery marries delicious treats with a warm and comfortable atmosphere.

With a historic list of cafés, hotels, and restaurants falling under the Arsens name, the duo's profound appreciation for quality work and craftsmanship, and an everlasting affair with art and the beauty of nature, this chapter in Inn at Laurel Point's story embodies all of these elements in a brand new space.

Deeply rooted in Inn at Laurel Point's commitment to sustainability, Duo Café Bakery offers a loyalty program for regular patrons, and various initiatives ensuring guilt-free indulgence for all guests and visitors.

Duo Café Bakery is the new local spot for a perfect pairing of coffee and pastries, tea and scones, milk and cookies, or six of one and half a dozen of the other!

Aura Waterfront Restaurant + Patio is the place to share bold flavours, and food-inspired stories. Whether you're an out-of-towner or a regular, you'll enjoy a trip through the world's best flavours, without leaving Victoria's iconic inner harbour.

At Aura, we let the ingredients guide us. Our menu is inspired by the best of Vancouver Island and Victoria's vibrant coastal food scene. Fresh seafood, local meats, regional produce, and herbs from our own garden—brought together with thoughtful technique and bold West Coast flavours.

- 104 indoor seats, including bar, lounge and 2 private rooms, and 60 postcard perfect patio seats under a pergola make up the restaurant.
- Interior design by Denise Ashmore, principle at Project 22 Design
- Inlet Room: this private room seats up to 10 at a custom boardroom table, features a 60" flatscreen TV, background music and harbour views.
- Cove Room: encased in glass, seats up to 8, background music and overlooks the patio and the iconic view of the inner harbour and downtown Victoria.

STORY STARTERS

- The iconic Erickson Wing was designed by world-renowned Canadian architect Arthur Erickson
- Our private gardens have been fully redesigned by Murdoch de Greeff Inc. Landscape Architects. Highlights include: a new infinity edge saltwater reflecting pool spanning 144 cubic meters, the replanting of meticulously cared for bonsai pine trees from the original garden, the addition of 48 new trees, a refurbished 8-foot waterfall, high efficiency irrigation and UV filtration, a rain garden and kitchen garden in just over 1 acre of newly landscaped gardens.
- **Aura Waterfront Restaurant + Patio** has opened with a revitalized interior and globally-inspired share plates menu unique to the city's hotel restaurant scene.
- A social enterprise since 2008, the Inn is dedicated to making improvements to the hotel that prioritize social, environmental, and financial well-being in the community. Project 2030 is our plan to advance seven of the United Nations' Sustainable Development Goals (SDGs). Our goals are centered around zero waste practices, renewable energy generation, making the most out of the precious resource that is water, and more. We will also continue prioritizing our property, people, and community, giving back whenever and wherever we can to make the most impact.
- An award-winning wedding venue, the Inn received a Vancouver Island Wedding Award in 2023 and was named the Best Hotel Wedding Venue.

- Inn at Laurel Point is officially the first hotel in North America to sign onto The Climate Pledge.
- Every year from June 1 to September 30 - Get to know great local businesses with our exclusive **Key to the City Program**. We partner with attractions, tours, and restaurants to offer our guests local and inspiring experiences.
- Victoria offers something for every traveler, in every season. When you book your next stay at Inn at Laurel Point, we'll share our collection of **curated itineraries** with you, created by our team of locals who are proud to call Victoria home.
- In 2023 we became Biosphere Certified, and were also the winners of the Leadership in Hospitality Award at the Ecostar Awards. We've recently also implemented several new water fill stations throughout the hotel through. This was made possible through Destination Greater Victoria's Tap into Local program. This program aims to create a culture of reuse within our visitor economy by encouraging a shift away from single-use plastic water bottles.
